Salat Al Istisqaa

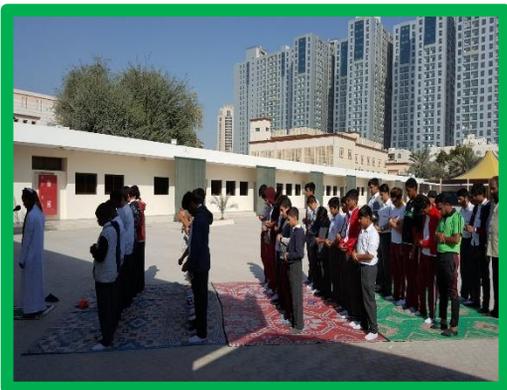

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Tell me, I'll forget.....Show me, I'll rememberInvolve me, I'll understand

The British International School in line with the directives of His Highness Sheikh Khalifa bin Zayed Al Nahyan arranged for the prayers of rain -Salat-al-Istisqaa. Students & teachers participated in the prayer with belief and enthusiasm.

It was a sight to behold as the entire BIS fraternity revived a Sunnah of the Prophet (PBUH). It was an immense learning experience for the students as it gave them an opportunity to apply practically lessons learnt in Class.

Our Assemblies

COOPERATION

The assembly conducted by year 9 girls started with the recitation from the Quran emphasizing the importance of cooperation. Thereafter, a Hadith about cooperation was shared highlighting the importance of the same. The assembly concluded with a skit underlining the importance of cooperation, thereby encouraging students to cooperate & support each other in good deeds.

Year 8B conducted the school assembly on the topic co-operation. The assembly was used to highlight the need of co-operation in family, school and Society. Only with cooperation we can work as a team and can achieve success in life. The problems faced due to the lack of cooperation were pointed out. Colorful charts displaying the importance of cooperation among students and their role in the school were displayed to further enhance the importance of cooperation.

ENGLISH WEEK

Students of BIS conducted the morning assembly to mark the beginning of the English Week. The day started with the Quranic recitation followed by the translation and the national anthem. Students shared the origin of the English language dating back to the ancient Greeks and Romans. They also emphasized how over the years it has become a global language. Some facts like 'The most widely used word', 'The smallest sentence', were shared with the students. Lastly they had some tongue twisters and questions for the audience which were thoroughly enjoyed by everyone.

SUSTAINABLE FUTURE

Students from BIS participated in the 16th Students Workshop 2016 on "Sustainable Innovation – Road to Sustainable Development Goals" with the BIS students of grades 7 and 8. They prepared an assembly to present the ideas and innovative ways they had learned in the workshop to save resource wastage and develop a sustainable future. It was an enriching experience as the students discussed the six sustainable development goals in detail out of the workshop experience of seventeen goals. The students were able to understand the concept of sustainability as well as the goals to attain sustainable development. They were encouraged to incorporate sustainable living habits in their own lives, in order to make this world a better place. Students were given a chance to build up channels of communication and networking through the EEG group.

School SPORTS Day

The students and staff of British International School were delighted to host their first annual sports day for the senior wing on 30 January (Girls) and 31 January (Boys), for the year 2016-2017.

The event displayed the theme of unity, coordination, happiness and well-being. Taking the spirit of unity and coordination together, the 4 houses (Ruby, Emerald, Topaz and Sapphire) marched their way to glory. Every one rose for the national anthem after the march past.

Mass drill was the next showcase of talent that was displayed by all the students depicting their love for UAE by making a human formation of WE LOVE UAE. It was followed by the track events for the day, sprints, relays and obstacle races.

The highlight of the event were the parent & teachers' races. It was great to see the camaraderie between students, teachers & parents showcasing the strong rapport between all. The day concluded with the Prize Distribution Ceremony & the beaming faces of the winners flashing their bright smiles & medals.
