

Young Learners from Year 3E at British International School – Performed on World’s Tolerance Day on Thursday 16th November, 2017.

“Mutual Tolerance is a necessity for all time and for all races”..... Keeping this deep and meaningful quotation in mind, Learners of Year 3E celebrated World’s Tolerance Day. These mentees beamed out the importance of having Tolerance & Patience through their galvanic speeches, motivational role play and an electrifying dance performance on an extremely heart touching song, delivering the message :

“We show acceptance everywhere, we show acceptance because we care”

The participants felt confident as they were given free hand opportunities to exhibit themselves.

Among the spectators were The Vice principal, Head of Primary, Supervisors and Learners from all sections of Year Three. The program ended by a big round of applause and an address given by The Vice Principal, Ms. Fauzia praising the students of 3 E for their remarkable performance.

The awareness promoted by these kids can also aid in shaping the future of this generation.
