

ENGLISH QUIZ

As it is rightly said “Knowledge is of no value unless you put it into practice”, so we did make use of our knowledge by organizing a quiz. **The British International School, Ajman** organized an English quiz for all the Grades from 1 to 4. It was a wonderful experience to see

the young and energetic Grade 1's perform very well for the quiz. The quiz was based on their previous knowledge about topics such as captions, adjectives, meanings etc. It was a pleasure to see how the students were well prepared and all set to answer all the questions put forth to them. As we have 12 sections in grade 1, for the quiz it was divided into 2 groups – 1 A to F, from this group the girls team emerged as the winners and from the second group ie 1

G – L the boys emerged as the winners. It was a fun filled quiz with lots of spontaneous and impactful answers.

For the students of Grade 2. It was held on two days due to more number of sections. For the students of grade 2 A- E it was held on 14th February, 2019 and for the students of grade 2F- J it was held on 17th February, 2019 in the school M.P Hall.

It was an interesting competition between the two teams. The students showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the teams tried to answer them with confidence. The questions put forth to the teams were intriguing,

exciting and made the audience go ‘Aah!’ and clap when the teams answered correctly. Although both the teams participated actively, the team that came out as champions was the boy’s team.

The grade 4 quiz was held on Thursday 4-2-19 and it was exciting and nail biting competition between the two teams. The Team A gained 10 bonus points in Audio/Visual round and hence became the winner of this competition.

The grade 3 Quiz was also held on Thursday 21-2-19 during the activity period. As we have 7 sections in grade 3, so 14 students were selected, two from each class. Both the teams’ consist of 7 number of students.

The team B was the winner of English Quiz competition.

It was very informative and knowledge enriching competition for the participants along with the audience.

British International School, Ajman encourages such positive competitions and hopes to bring out the best in all its students through such competitive events, while ensuring that the children learn through all possible ways- not just through books and classroom teaching.

As in **BIS**, we truly believe, ‘If you have knowledge, let others light their candles in it.’
